BIOGEN[®] ROPE DRESSING

VGP COMPLIANT

WE ARE EXCITED TO ANNOUNCE THE LAUNCH OF OUR NEW VGP COMPLIANT WIRE ROPE LUBRICANT!

BIOGEN Rope Dressing, available in 18kg pails from 18-05-2020

Part Code: 20070

NEW BIOGEN Rope Dressing, with its high performance and green credentials is the latest addition to our industry leading environmentally acceptable lubricants range. Featuring pseudoplastic technology, BIOGEN Rope Dressing provides extreme penetration into the core of the wire rope resulting in impressive protection from both wear and corrosion for every strand of the wire rope. Particularly suited for the harsh, wet environments found in Marine and Offshore industries, salt water is no match for BIOGEN Rope Dressing! Its highly resistant film reduces fling off helping to maintain a safe, clean working environment.

Industry leading performance with the peace of mind a biodegradable, VGP compliant lubricant provides, BIOGEN Rope Dressing is the perfect choice for your wire rope lubrication needs.
